Project Leaders Needed

We would still love to have project leaders for the following projects:

1. Archery
2. Rabbits

Record Book Corner

Your Goals should be completed by now in your Project Report Forms. Make sure your goals pass the control test. Ask yourself if you have control over all parts of what happens. If you can answer "Yes", then your goal is ready to go onto the Project Report Form. For Example: "I want to win champion with my cookies at county fair" does not pass the control test. You do not have control over ribbon placings. Instead concentrate your goals on learning, skills, leadership, and community service.
